Good afternoon Abhnash

Happy New Year to you

We have been approached by Marie Curie to enquire if any of our Lions Clubs would be able to support Marie Curie by collecting in the area of Paternoster Square (near St Paul's Cathedral in London) between the 2nd – 10th March this year.

Last year to mark the launch of Marie Curie's Great Daffodil Appeal, thousands of handmade daffodils appeared in London's 's Paternoster Square in a new art installation, named 'The Garden of Light' which had 2,100 illuminated handcrafted daffodils, each representing Marie Curie nurses across the UK who provide care and support to people living with a terminal illness. Further information about the display is shown through the link <https://www.campaignlive.co.uk/pictures-marie-curies-garden-light/%7Bsubjects%7D/article/1425818#LbsXfVAR0OoLf7PM.99> Four collectors would be required at any one period throughout the day.

Would you be able to put a request out to your clubs Ashnash and ask them to get in touch with me by the end of January, if at all possible?

Many thanks

Mandy
